REQUEST TO ADD INDIVIDUALS TO HOUSING ASSISTANCE

Before the Asheboro Housing Authority will allow a tenant to move a new member into an assisted unit, it is required that the tenant first contact the owner/landlord for approval. Once AHA has been informed that the individual(s) have been approved by the owner/landlord, then the AHA will determine if the tenant is eligible to be added to the family's housing assistance. These two approvals MUST be received by the tenant before allowing the new individual(s) to live in the assisted unit.

Head of Household: _____
